COMMENTS FROM THE TOWN MANAGER'S OFFICE

Last fall notice was received from the Office of Civil Defense that several types of heavy equipment might become available to municipalities. Several items were checked that could be used by the town. On May 15th word was received from the Surplus Warehouse in Augusta that the Allocation Board had authorized the donation of a Vapor Steam Cleaner to the town. The cost of the machine to the town was \$35.00 plus the expense of picking it up at Augusta. A government tag was attached to it, marked "Inoperative." However it took the mechanic about one day and less than \$5.00 for welding and parts to put it in A-1 working condition. Information that came with the machine indicated that it cost the government \$772.00.

On Wednesday, May 20th, your Board of Selectmen and Town Manager made a trip to Augusta to appear before the State Highway Commission to make a request for funds to be allocated from the Special State Aid or so-called Hardship Fund to be expended on the East Bethel Road to complete that State Aid. It was agreed that if the commission would authorize enough money to complete this State Aid that the town would start re-construction of Route 35 in 1960. It was also agreed that State Aid No. 5 designation would be rescinded. This designation is about three quarters of a mile in length and connects Route 26 with the Locke Mills-East Bethel Road. The Commission stated that a decision would be rendered in about 30 to 45 days on the request.

Sincerely,
Harold L. Bean

Stolen Car In Crash After Pursuit; Two Suffer Slight Injuries

A 1949 sedan, reported stolen at Freeman by Leroy Harrington, 17, of Augusta, went out of control and crashed on the Grover Hill road just outside Bethel Village late Saturday afternoon. The car was spotted by State Trooper William Bickford near Bryant Pond, and in Harrington's attempt to escape a rapid chase followed until the accident a few minutes later.

With Harrington was Jean L. Morin, 16, also of Augusta. Both suffered minor injuries and were taken to the Norway hospital for treatment.

In the attempted escape, it was fortunate that no other accidents occurred as the route followed went the length of Bethel's Main Street and Mill Hill before its end on the narrow hill road.

HOSPITAL CHARITY BALL NETS \$1,367.46

On Monday, May 25, the Rumford Community Hospital received a check for \$1,367.46, representing the proceeds of the 1959 Charity Ball held in the Rumford Armory on April 10.

The presentation was made to Hospital Administrator Merrill Tolman by Mrs. John Towle, treasurer of the Charity Ball Committee of the Joint Bethel-Dixfield Auxiliaries, sponsors of the affair.

This year's check, an increase of \$483.00 over the 1958 contribution, will be used to purchase some needed piece of equipment for the hospital, upon recommendation of the Board of Directors.

MT. ABRAM FISH & GAME ASSN. MEETS

Mt. Abram Fish and Game Association met at Locke Mills Town Hall on May 21. The meeting was preceded by a pot luck supper and there were 56 present. In the absence of the President the meeting was called to order by the 2nd Vice President, Angelo Onofrio. It was voted to approve the Wilderness bill.

Dora Ford, representative to the Health Council, said that they wanted to know if a Bazar was held this year if the Club wished to have a booth.

Mr. and Mrs. John Gould and Franklin Downie were guests. John Gould gave a talk, and then Angelo Onofrio showed some very nice slides of a trip that Mr. and Mrs. Gould and daughter took a few years ago around the Hudson's Bay region and Mr. Gould told about them.

Franklin Downie, Conservation Education Director, extended an invitation to the Club to visit the campus at the Conservation Camp at Bryant Pond.

Although memberships do not expire until August 1st, a membership drive will start after our June 18th meeting. It is hoped to get some boys between the ages of 12 and 16 inclusive to sell memberships so that some lucky boy may get a chance to spend a week at the boys camp at Branch Pond in Ellsworth the first part of August.

An invitation is extended to those who have complained because the club doesn't do things the right way to join the club and attend the meetings and complain before the group instead of to a few of the members. Memberships are only a dollar.

Ralph Moore is confined to his home by illness.

SOIL CONSERVATION
IN OXFORD COUNTY

By Lyman W. Jacobsen, Soil Conservation Service

The supervisors of the Oxford County Soil Conservation District will attend Land Levelling Demonstrations.

Supervisors W. Henry Allen, Hebron, Norman Gray, Fryeburg, Howard Sturtevant, South Paris, Robert Hastings and Edmund Smith of Bethel, will attend a land levelling demonstration at the Lionel Ferland farm in Poland, on Thursday, May 28.

If enough interest is shown in land smoothing or levelling in Oxford County, the District supervisors will make one available for Oxford County farmers. Land levelling is a new approach to surface drainages. Winter killing of grass and legumes is greatly reduced and generally eliminated, after a careful job of levelling is completed.

Land levelling also makes all handling easier whether plowing, seeding or haying.

Modern expensive farm equipment lasts longer and so does the operator on smooth fields.

National P.T.A. Honors The Eisenhowers

Washington, D.C.—Newly-honored Life Members of the National Congress of Parents and Teachers are President and Mrs. Dwight D. Eisenhower.

The nation's first lady received special P.T.A. membership certificates for herself and President Eisenhower in a recent White House ceremony.

Mrs. James C. Parker, of Grand Rapids, Mich., president of the National Congress, said in presenting the honors to Mrs. Eisenhower that the life memberships "express recognition by more than eleven million members of the P.T.A. of the inspiring concern you have shown for the welfare of the nation's children."

She pointed out that naming of President and Mrs. Eisenhower "who are known for their deep interest in children and the home" as honorary P.T.A. members was particularly appropriate at this time, because:

"Our new action program, 'Strengthening the home, source of our nation's greatness,' will be launched at the National Congress convention in May.

Mrs. Eisenhower indicated that she plans to wear her membership pin "should I ever visit our grandchildren's school," and expressed for herself and the President "warmest appreciation to all the members of the P.T.A. The National Congress is made

ABOUT 44,000 ACRES GO INTO SOIL BANK

Under the 1959 Soil Bank program in Maine, some 245 contracts have been signed and some 44,000 acres of land have been taken out of production. About 4,000 of these acres will be planted to trees. The grand total in the Soil Bank in Maine now has reached about 2,350 farms with some 106,000 acres. This is about eight percent of Maine's cropland. About 1,870 complete farms have been put into the Soil Bank, representing some 87,000 acres. About half of all the farms and some 65 per cent of the acreage in the Soil Bank are in Aroostook County.
